MAYERLE GEORGE
German Expert Optician (German Optical Institute) charter member American Association of Opticians, graduate Northern Ill. College, also American College of Ophthalmology, consultation, examination and advice free. Open evenings until 9, tel. South 572, (German eye water 50c) 1071¼ Market Street opposite Hibernia Bank. The President's Letter. George Mayerle—Dear Sir: The faculty is highly pleased with the SPLENDID MANNER in which you have succeeded in passing the examination. You have been awarded diploma conferring the Doctor of Ophthalmology degree. The faculty considers that you fully merit this high honor, as the examinations imposed were of such character as to thoroughly determine your fitness to follow the noble profession you have chosen. Very truly yours, WILLIAM F. CATHCART, M. D., president. A reporter convinced—Numerous inquiries made by The Bulletin reporter among those who wear Mr. Mayerle's glasses regularly showed clearly that in each case perfect satisfaction had been given, and this fact applied to numerous complicated cases—Extract from the S.
